# 7th Annual Morris County Municipal Summit

## Who Should Attend

- ◆ Elected Officials
- ◆ Municipal Managers and Administrators
- ◆ Planning Board Members
- ◆ Board of Adjustment Members
- ◆ Board of Education Members
- ◆ Economic Development and Redevelopment Committee Members
- ◆ Engineers, planners, and attorneys who advise municipalities on land use, zoning, and permitting issues

## Why?

- ◆ The Summit's objective is to provide municipal leaders with ideas and tools that they can bring back and apply to specific issues and challenges confronting their local communities.

## Is your municipality asking any of the following questions?...

- How can your municipality utilize the Morris County Improvement Authority to offset the cost of energy saving equipment?
- Would it benefit your municipality's planning efforts to learn how commercial vacancy rates can be decreased?
- What do you need to know about financing solar panel installation that can result in reduced school budgets?
- Is your community interested in ways to lower the tax payer's burden through occupying existing commercial properties?
- What is involved in the process of financing and installation of solar technology on public facilities?

## ... then you should be registering for the Summit!
