

# Morris County Economic Development Corporation (MCEDC)

*a division of the Morris County Chamber of Commerce*

## **Mission**

The Morris County Economic Development Corporation is a partnership of government, businesses and allies dedicated to growing the economy of Morris County, New Jersey through aggressive and effective programs and services that result in business attraction, creation, retention, expansion and transition.

## **Vision**

Through the efforts of the Morris County Economic Development Corporation, Morris County will become and be recognized as a premier location for business investment in New Jersey and the Northeast, resulting in a broad range of employment opportunities for its residents, increasing revenue sources for its municipalities and the County, and improved profitability for its businesses.

## **Why support economic development?**

1. To stimulate economic growth and build a larger economic base of businesses that contribute to the tax base
2. Improve employment opportunities
3. Have desired goods and services available locally
4. Increase business to business opportunities
5. Increase the quality of life for citizens of Morris County and New Jersey

*Economic development is fundamentally about a better quality of life for Morris County.  
The underlying mission of economic developers is to expand jobs, investment and community vitality  
in our state.*
