MORRIS COUNTY
ECONOMIC DEVELOPMENT CORPORATION

LIFE SCIENCE

MORRIS COUNTY, NJ*

The life science sector is a significant industry in Morris County, which has a cluster of pharmaceutical and biotech companies that also attract a wide variety of companies including those that support research and commercialization. Additionally, Morris County is a choice location for packaging, distribution, compliance, CROs and CMOs. The workforce, educational institutions, and hospitals contribute to this ecosystem and create a unique community that creates opportunities for funding, networking and business growth.
